Visit to a Local Grocery Store

¡Ojo! You are required to get the signature of the GROCER you talk to. Be sure to allow enough time.

Name of store visited:

Date of visit:

Ask the **GROCER** (not a bagger or cashier) where the produce products come from.

List 5 fruits and/or vegetables that come from Spanish speaking countries.

Name of produce	Country of origin	Cost
1.		
2.		
3.		
4.		
5.		

Now shop the aisles.

List 7 foods that come from Spanish speaking countries.

Name of product	Country of origin	Cost
1.		
2.		
3.		
4.		
5.		
6.		
7.		

Does the store also carry American made products comparable to the ones you listed above?

Whose products are more expensive, and why do you think so?

Did you buy any of these products to try? If so which ones?

I verify that this student talked to me about where the produce products come from.
