

Visit to a Local Tapas Restaurant

¡Ojo! This adventure requires at least two or more people to be able to sample a variety of Tapas.
You may choose either **Barcelona** in Clayton or **Guido's** or **Modesto** on the Hill.
(You must have Ms. Boter's approval for ANY other restaurant)

What are "Tapas" anyway? Ask your server to explain them to you.

Examine the menu and choose several Tapas for your meal. What did you order?

Were you surprised when the Tapas arrived? How were they different than Mexican food you have had before?

How was your food? What did you like best? What did you like least?

Ask your server to tell you about the owners. Record your findings.

Por ejemplo: Where are they from? How long have they had the restaurant? Why did they come to St. Louis?

I verify that this student ate at our establishment and inquired about the owners on _____ / _____ / _____
